Highlights

Integrated cord storage

The integrated cable winder on the back of the case is small and discreet, and easily lifts up so you can quickly wrap and store your headphones on the case itself.

Protection in an instant

This case is made from a durable material that is custom-made to fit your device perfectly. The case is quick and easy to put on and adds a layer of protection to your device.

Protective silicone

This case is made out of soft silicone, which adds a layer of grip to your player while also protecting your device against normal wear and tear.
